WPSB No. 814 of 2002

Hon. A.A. Desai, C.J.
Hon. Irshad Hussain, J.

Heard Sri Sidhartha Shah, learned counsel for the petitioner and learned C.S.C.

The petitioner is working as a lecturer in Mathematics in G.I.C. Lamgara, Distt. Almora since 3.12.1997. Now, he has been transferred in the same district. The grievance of the petitioner as canvassed before us is that other persons having longer tenure have been retained at the same place. We do not propose to entertain this grievance.

We do not see any malafide in the transfer order as the petitioner has completed more than three years in the station. His transfer is just and proper. We, therefore, dismiss the petition.

However, the petitioner is at liberty to represent for his posting nearby Haldwani, which authorities may consider in normal course.
